

PUBLIC LEDGER

WEEKLY REPUBLICAN—1897.
DAILY PUBLIC LEDGER—1898.

MAYSVILLE, KY., FRIDAY, JANUARY 9, 1903.

ONE COPY—ONE CENT.

SONG OF THE EDITOR.

With spirits weary and worn,
With eyelids heavy and red,
Sat a newspaper man, and jumped an inch
At each throb of his aching head.
Pore, pore, pore,
O'er the paper every day,
And as he read, in a voice full sore,
He sang this painful lay:

"Read, read, read,
With attention mercenary;
Read, read, read,
Till the old sheet's on the press.
Column and stick and head,
Head and column and stick,
Till the brain is numb, and the soul is dead,
And the heart is faint and sick."

"And what do I find but beats
And wrong-foot editor's views,
And sermons long, and speeches weak,
Played up in the place of news?
And captions gone astray,
And headlines out of gear,
And the picture of Roosevelt run above
The name of some pioneer?"

"Read, read, read,
Of Sampson, Miles and Schley,
Read, read, read,
As the weary days drag by,
That the King of Spain has a new spring crown,
Prince Henry's hat's blown off,
That a Russian force of a hundred horse
Is quartered at Letsetoff."

"And the same old rumors of war,
And the same old rows at home,
And the same old strikes in the rolling-mills,
And the same old strikes at home.
It is oh, for Mary Jane Holmes,
And the Duchess, and Gaudier, too,
The Congressional Record's massive tomes
Would even look good to you."

"Through the window comes floating in
The perfume of springtime, bland;
You can hear the beat on the busy street
Of the drum of the German band.
But column and head and stick,
And stick and column and head,
Are looking at you, in cold, cold print,
And simply must be read."

"Oh, for a taste of the joys
Of a Mother Goose nursery rhyme;
Oh, for a glance at the wondrous tales
That beguile: 'Once on a time'—
But there is no time for love,
And there is no time for joy,
No time at all, but what's beaten above
By the back-dancing galley boy."

"Oh, foremen who wildly shout
For copy the whole day through,
You little know as you slice up 'takes'
What a lot of harm you do.
For your million and nonpareil,
Your agate and bold black face
Are the cruellest things this side of—well,
We trust that you'll see the place."

With spirits weary and worn,
With eyelids heavy and red, &
Sat a newspaper man and pored and pored
Over single and double lead.
Read, read, read,
Till his brain refused to think,
And before his eyes danced a whirling mass
Of type and turned rows and ink.

BROWN'S CHINA PALACE.

APPETITES

Created and Maintained by Vinol.

THAT THE FOOD IS DIGESTED IS ALSO EQUALLY NECESSARY.

We Recommend Vinol as an Appetite Creator.

WE GUARANTEE THAT VINOL WILL AID DIGESTION.

Vinol is the greatest aid to digestion that we have ever known. It is because Vinol acts so beneficially upon the stomach that it accomplishes so much good.

Vinol contains the active curative principles that are found in cod-liver oil, without any oil or grease.

These medicinal elements act so favorably upon the stomach, that this organ obtains for itself the elements necessary for creating new flesh, muscle tissue and for making rich red blood.

When the stomach acts easily and naturally, a desire is created for good simple food and a good appetite is the sure result.

With cod-liver oil as formerly taken the medicinal elements which it contained were too often unable to counteract the harm that was done by the obnoxious grease that enveloped them.

Now that in Vinol we have those same elements separated from the vile-tasting fat, we have a tonic and re-builder that is simply marvelous in its action.

The following is a letter that will explain itself:

"This is to certify that I have used six bottles of Vinol, and have found it of great value as an appetizer and tonic in general debility. I have received so much benefit from its use that I gladly furnish this testimonial in order that others may be induced to give it a trial and prove to themselves its recuperative powers."—Mrs. ELIZABETH FEENEY, Waterbury, Conn.

We want every one in this place to know more about our Vinol, how it cures and what it cures. Certainly the greatest tonic and re-builder we have ever sold.

We, therefore, cordially invite any one interested to call upon us; and we want all to bear in mind that we will gladly refund to any one who is not satisfied with the action of Vinol every cent they pay for it.

JOHN C. PEGOR, DRUGGIST.

The Augusta cannery will be sold at public sale February 7th.

CALLED A SECRETARY.

Action of the Directors of the Y. M. C. A. Yesterday.

The Directors of the Young Men's Christian Association held a meeting yesterday afternoon and decided to call Mr. H. T. Montague of Louisville to become General Secretary of the organization here.

Mr. Montague is now Assistant Secretary of the Association at Louisville. He is a native of Fayette county.

Since the departure of the Rev. F. W. Harrop from Maysville Mr. Austin Rosenham, son of Mr. C. L. Rosenham, has been filling the office of Secretary of the local Association.

BLANKETS!...

From the best American makers—and America makes the best blankets—we've gathered such blanket goodness as will appeal to every housewife. On a few lines prices are the same as those quoted in September when we broke the record in blanket value giving, but some lines are even cheaper now and you may be certain the standard of excellence has not been lowered. You can buy an excellent cotton blanket for \$1 and then by easy stages you reach the luxurious elegance of our \$7.50 blanket. A word of our banner blanket—a Mission Mill \$7 blanket for \$5. A finer value the entire American market doesn't offer.

TO CLOSE THE FURS

The brisk selling of the past week has made decided inroads on our fur stock but enough remains to make choosing a pleasure. Prices are about half and you will be sure to find something suited to the lightest purse.

Every Piece of DRESS GOODS

Has had a radical mark down. Not one excepted. We have no hesitation in saying this is the best opportunity to buy a dress, skirt or waist pattern at prices never before offered in Maysville. Black and colors in wool, silk and silk—wool mixtures.

D. HUNT & SON.

A Silent Man

Often gains a reputation for wisdom, while the talkative fellow is set down as a blower. The merchant who succeeds, however, is usually the one who has a good thing and makes a noise about it.

We've the Shoe Lines

To get enthusiastic over, and our aim is to give you better goods than you ever bought in Maysville before for the same money. We want your permanent trade, and don't ask it on faith, but merit. We sell Shoes that give satisfaction, and this is the secret of our business growth.

FOOT AMPUTATED.

The Hon. F. B. Trussell of Tollesboro Undergoes Operation.

THE LEDGER and the many friends of the Hon. F. B. Trussell regret to learn of the operation he was compelled to undergo on Friday last at his home in Tollesboro.

Some months ago Mr. Trussell received a fall, which irritated a growth on his left foot from which he had been bothered for some time.

A few weeks ago gangrene set in, and to check that it was thought best to amputate the diseased foot.

Last Friday Drs. Bowman and Irvin of Lewis county, Dr. H. K. Adamson of this city and Dr. Ranschoff of Cincinnati performed the operation, and the patient is now reported as doing as well as could be expected.

No citizen in this section is more highly esteemed than is Mr. Trussell, and it is hoped that his improvement will be steady and permanent.

D. HECHINGER & CO.

It does look as if the people have been waiting for our Cut Price Sale.

Whilst at this season of the year most merchants reconcile themselves to just what happens to come along we take an aggressive stand and hold out inducements that will make people buy despite the lateness of the winter. The public recognizes the values we give them in our Stein-Bloch, Adler Bros. and Garson-Meyer Clothing, all of which are now sold at

20% Off

From the regular price, and this accounts for the phenomenal business we are now having.

If interested in a Suit or Overcoat for yourself or boy look in every other clothing house in town before you come to us. It will not take you long to find out the cause of our house being constantly crowded with buyers.

LESSON IN AMERICAN HISTORY IN PUZZLE

CAPTURE OF COL. ETHAN ALLEN IN CANADA.
Find Gen. Prescott.

The invasion of Canada was one of the most poorly executed schemes that gave promise of bright success during the whole of the revolutionary war. Delay was the most fatal mistake. It was proposed to advance by way of Lake Champlain and capture Montreal and Quebec, and so secure the aid of the Canadians. By the failure of the scheme many valuable men and officers were lost to the American cause, either through death or capture. Among these was Col. Ethan Allen, who was captured after he had crossed the St. Lawrence in October, 1775, and was sent by the English Gen. Prescott in chains to England, where he was confined until 1778, when he was exchanged.

CONSTIPATION BREAD

"I have gone 14 days at a time without a movement of the bowels, not being able to move them except by using hot water injections. Chronic constipation for seven years placed me in this terrible condition; during that time I did everything I heard of but never found any relief, such was my case when I began using CASCARETS. Now I have from one to three passages a day, and if I was rich I would give \$100.00 for each movement; it is such a relief."

HERE'S THE LATEST!

Senator Deboe Assumes Responsibility of Locating Postoffice.

A telegram from Washington to the Louisville Evening Post, under date of Wednesday last, says that some days ago, on request of Senator Deboe, the location of the Postoffice at Maysville was changed.

Tuesday a numerous signed petition from citizens of this city was received at the Postoffice Department at Washington protesting against the change of location.

Wednesday Senator Deboe had a conference with First Assistant Postmaster General Wynne in regard to the matter and stated that the change had been for the good of the service and that he assumed all responsibility in the case and desired the order carried out.

The Postoffice Department will therefore abide by the Senator's desires—so the telegram adds.

The Queen City from Pittsburgh will pass down tonight.

The Sunshine is due to pass up tonight for Pomeroy.

The Lizzie Bay from Portsmouth passes down tonight.

The Henry M. Stanley will be down from Pomeroy tonight.

The Helen M. Gould will pass down from Portsmouth tonight.

About 1,300,000 bushels of coal left Pittsburgh Wednesday for the Southern markets.

Yesterday was about the roughest day ever experienced by rivermen in this vicinity.

If the Government would establish three or four lights on the Louisville Falls it would render navigation safer during the night time.

Recent estimates, well sustained, indicate an annual tonnage passing down the Ohio approximating 25,000,000 of tons. The irregular stages of water, incident to the rise and fall of the stream and its tributaries, hamper the movement of this immense volume of property, the product of American industry, by confining it to certain periods of high water, whose occurrence is not governed by any known rules or climatic conditions.

It is said that George Mallory, a New Yorker, who is designing a boat to suit the requirements of navigation on the Allegheny river, according to his judgment, has made a number of changes in present-day steamboat architecture. It is stated that the wheel of the boat he had designed is a foot higher than the stern bulkhead and that the pilothouse has been set forward of the smokestacks, the upper cabin being done away with entirely and placed on the lower deck.

BABY'S FUTURE

Something for Mothers to Think About.

Lives of Suffering and Sorrow Averted.

And Happiness and Prosperity Assured by

Cuticura Soap, Ointment and Pills When All Else Fails.

Every child born into the world with an inherited or early developed tendency to distressing, disfiguring humors of the skin, scalp and blood, becomes an object of the most tender solicitude, not only because of its suffering, but because of the dreadful fear that the disfigurement is to be lifelong and mar its future happiness and prosperity. Hence it becomes the duty of mothers of such afflicted children to acquaint themselves with the best, the purest and most effective treatment available, viz., The Cuticura Treatment. Warm baths with Cuticura Soap to cleanse the skin and scalp of crusts and scales, gentle applications of Cuticura Ointment, to allay itching, irritation and inflammation, and soothe and heal, and mild doses of Cuticura Resolvent Pills, to cool the blood in the severer cases, are all that can be desired for the alleviation of the suffering of skin-tormented infants and children, and the comfort of worn-out parents.

Millions of women use Cuticura Soap, assisted by Cuticura Ointment, for preserving, purifying and beautifying the skin, for cleansing the scalp of crusts, scales and dandruff, and the stopping of falling hair, for softening, whitening and soothing red, rough and sore hands, for baby rashes, itchings and chafings, in the form of washes for annoying irritations and inflammations, and for many sanative, antiseptic purposes which readily suggest themselves.

WEAK LUNGS

Weak lungs are mostly due to a neglected cough. Only a small percentage of the millions who have consumption inherit it. A slight cold, a tickling or hacking cough is the beginning, and after it has reached a certain advanced stage there is no ending except the grave.

Any case of consumption that is curable; that is, any one having consumption whose family or friends still hold on to a ray of hope, may take comfort in the knowledge of the fact that One Minute Cough Cure will give instant relief and finally cure.

This famous remedy does not pass immediately into the stomach, but lingers long in the throat, chest and lungs, producing the following results:
(1) Relieves the cough.
(2) Makes the breathing easy.
(3) Cuts out the phlegm.
(4) Draws out the inflammation.
(5) Kills the germs (microbes) of disease.
(6) Strengthens the mucous membranes.
(7) Clears the head.
(8) Relieves the feverish conditions.
(9) Removes every cause of the cough and the strain on the lungs.
(10) Enables the lungs to contribute pure life-giving and life-sustaining oxygen to the blood. Cures Croup and all Cough, Lung and Bronchial Affections.

CONSUMPTION CURED.

"My physician told me one year ago that I would die of consumption inside of a year. I commenced taking One Minute Cough Cure for my lung trouble and it cured me. I have gained 20 pounds and I am a pretty live 'dead woman.' One Minute Cough Cure saved me." MARY F. SULLIVAN, Grand Rapids, Mich. Pleasant to the taste. Good for Children. Good for every body. For Coughs, Colds, Croup, Whooping-Cough, Bronchitis, Asthma, Pneumonia and all Throat and Lung troubles no remedy is so good as
